

Compact Scale

Portable Electronic Balances

Ohaus Compact Scales are ideal when cost matters and dependable results are a must. These uniquely designed scales have a wide variety of applications, more than any other scale in their class. The three portable models range in capacities from 200 g to 5000 g, and are perfect for use in light production, in the field, the kitchen, the office, and more. Easy operation, long battery life, and great performance make Compact Scales a truly remarkable value.

- Sleek, low profile design
- Large high contrast display
- Energy-saving auto shut-off feature
- Battery or AC powered
- Rugged plastic construction
